Statement of Compliance

I am officially registering each of the above named students for the 2009 Youth Rally. If any student is unable to attend, I understand that I can make substitutions with no penalty but that no registration refunds will be made for "no shows". As group leader, I will provide a completed and signed "Youth Rally 2009 STUDENT PERMISSION FORM" for every youth participant in my group as part of the group check-in process. Furthermore, I verify that every adult chaperone in my group (1 adult for every 10 students) is in full compliance with diocesan policies on child protection, including the successful completion of a civilian criminal background check and participation in child sexual abuse prevention training. I fully understand the meaning of this statement and sign this *GROUP REGISTRATION FORM A* knowingly, freely, and willingly.
