**WELCOME TO VOLLEYBALL 2011!**

The season is about to begin and I would like to welcome you to this year's program. I hope that all the players, coaches, parents and fans will have a great time. Having fun while learning the game among good sports and respectable fans makes for an exciting season. I am anxious for the season to begin and hope you are too!

Please be sure to go over the schedules. Some times and locations have been adjusted. If other changes are made, they will be posted on the recreation website and coaches, commissioners and ADS will be notified. Please make sure you review the rules. As always, please have respect for the facilities in which you are playing. We are thankful for the schools making their gyms available to our program. Please be sure to show respect for the teams who may already be on the court when your team arrives at a playing site. Be respectful of your opponents and treat them in the same way you would want them to treat you.

Just a reminder that you, the coach, are in charge or your assistant coaches, your players and your parents. If there are problems with sportsmanship, you need to step in and help get the situation under control. You are setting the example. Please use this to your fullest benefit.

Our rules state that every player must participate in one of the first two games of each volleyball match. If your team is scheduled for a double header, each match is a separate competition and the participation rules start over for the second match of the day.

Scores are to be reported by the winning team. There is a new score reporting form on the website, [www.cdeducation.org/rec](http://www.cdeducation.org/rec). Please use this to submit your scores and please be sure to fill in all fields. If you are not able to access the forms, please email your scores to [mraines@cdeducation.org](mailto:mraines@cdeducation.org) or call 614-241-2580. All scores should be reported by 9:00am on Mondays.

If you have any questions, please do not hesitate to contact me.

**GOOD LUCK AND HAVE FUN!**

Marty Raines
