

## *Calling all PARENTS*

*It's hard to believe but we are fast approaching the end of the school year! An End-of-Year Field Day has been planned for the last day of school (5/30) and we would love your help 😊*

*Anyone interested in being part of the festivities please contact Ashley Wade (344-8593). We need volunteers for field events, barbequing, and much more. Come and help us celebrate another successful year at St. Francis!*
