mornings 8:30-11:15am

Polar Bears

(Pre-Kindergarten Ages 4-5):

Monday-Friday afternoons 12:30-3pm
(These children must be attending kindergarten the following year)

Our Beliefs

We believe that children learn best when the environment:

- is faith-based
- is nurturing and secure
- is discovery-oriented
- is arranged in learning centers
- is safe and well-maintained
- meets individual needs

We believe that children learn best when they:

- are secure and successful
- are actively involved in their learning
- have the opportunity to work cooperatively to problem solve, make decisions and choices, and evaluate their own learning
- take responsibility for their choices
- are sensitive to needs and differences of others and all of God's creation

We believe that children learn best when the curriculum:

- is integrated with faith formation
- is developmentally appropriate
- addresses different learning styles
- provides for individual differences
- is flexible and stimulating
- encourages self-motivation
- is meaningful and fun

At St. Francis de Sales Preschool, our goal is to create self-motivated, lifelong learners by providing a developmentally appropriate, Catholic Pre-Kindergarten curriculum that enhances the spiritual, social/emotional, intellectual, and physical development of each child.

We believe that children learn best when the teacher:

- is sensitive to individual differences
- uses a wide variety of methods and materials
- acts as a facilitator
- is knowledgeable about child development
- is the decision-maker based on the needs of the children
- is a liaison between home and school ensuring the success of every child
- is warm, caring, positive, and creates a nurturing environment
- witnesses as a Christian model

CURRICULUM

St. Francis de Sales Preschool uses The Creative Curriculum®, which aligns with State of Ohio Early Learning Content Standards for ages 3-5 and is taught by a state certified teacher.

The Creative Curriculum® for Preschool identifies the knowledge, skills, and concepts important for preschool children to acquire in each content area: literacy, math, science, social studies, the arts, and technology.

Literacy: vocabulary and language, phonological awareness, letters, words, print, comprehension, books and other texts, and sources of enjoyment

Mathematics: numbers; patterns and relationships; geometry and spatial awareness; measurement; and data collection, organization, and representation

Science: physical science, life science, and earth and the environment

Social Studies: spaces and geography, people and how they live, people and the environment, and people and the past

The Arts: dance, music, drama, and the visual arts

Technology: awareness of technology, basic operations and concepts, technological tools, and people and technology
