Mission Statement

The mission of St. Francis de Sales School is to create a loving and caring Catholic community where teaching and learning support all children in becoming the best they can be in mind, body, and spirit.

As we focus on the growth and spiritual development of our students, we will concentrate our **VISION** on the following words from Scripture:

“This is what the Lord asks of you: to act justly, love tenderly, and walk humbly with your God.” Micah 6:8

Fr. Bob Penhallurick, Pastor

Mrs. Mary Walsh, Principal

**This calendar is subject to change.
Families will be notified in advance whenever possible of changes.**

At St. Francis de Sales School we focus our attention on the **Beatitudes** as a guide and a foundation for growth. The staff has chosen ‘**PEACE**’ as a keyword and a **DOVE** as the symbol for the 2011-2012 school year to reflect the beatitude:

“Blessed are the peacemakers for they shall be called the children of God.” Matthew 5:9

WE BELIEVE THAT:

1. All students can become lifelong learners when they are provided a safe atmosphere that promotes confidence and accepts diversity.
2. Parents are partners in the education of their children and that a positive relationship between home, school, and parish is critical to student learning and student success.
3. We as educators must do our best to serve the whole child: spiritually, intellectually, physically, emotionally, and socially.
4. The teacher is the evangelizer in the classroom. We are called to be models of the gospel values preached by Christ and his disciples.
5. Our students can give witness to their faith by being actively involved in Religion class and stewardship activities within the school, parish, and community, as well as by attending Mass and participating in the sacraments regularly.
